Early Childhood Stars

SHINE A SPOTLIGHT ON A SPECIAL FRIEND TO FAMILIES!

Nominate a community "Star"!

Do you know a local company or agency that puts families first in its policies and procedures? Perhaps it's a store where a "child-friendly" play area makes shopping more do-able and fun for the whole family. Or an employer who offers some flexibility for parents to take time to attend parent-teacher conferences.

We want to recognize the people and places that make family interaction a priority in dealing with their customers, clients, and employees. Please take a moment and nominate someone who makes life a bit easier for parents who want to do the very best for their children.

We hear the old saying, "It takes a village to raise a child" and that idea is just as true today as it was years ago. However, these days -- when multiple-career households and multi-tasking family schedules are the norm -- we look for ways to make the most of the time we have together as families to focus on each other. We want to honor the organizations and individuals who help to make that happen.

Please send your nomination to Chris Todd, Early Childhood Literacy Consultant;
